INTRODUCTION

God calls us to make our church a safe place and to create a community of faith where all can grow safe and strong.

Jesus said, “Whoever welcomes a child welcomes me.” (Matthew 18:5) Children are our present and our future, our hope, our teachers, our inspiration. They are full participants in the life of the church and in the realm of God.

Our Christian faith calls us to offer both hospitality and protection to the little ones, the children. The Social Principles of the United Methodist Church state that “...children must be protected from economic, physical and sexual exploitation and abuse.”

In order to provide a safe and healthy environment for children and youth who participate in its programs and activities, Alliance United Methodist Church has developed the policies and procedures contained in this guide.

PURPOSE

As Christians, we are called to create a safe sanctuary in our church, its programs and sponsored activities. It must be a holy, safe and protective community for all of God’s children. The purpose of this policy is to address the safety of our children and youth. We recognize the need to have a formal, written policy with procedures in place to

- (1) help prevent the opportunity for abuse of children and youth;
- (2) help protect workers from false accusations or suspicions;
- (3) to have an established procedure to report a suspected incident of child abuse.

The following policy and procedures are not based on a lack of trust in workers, but are intended to protect our children, youth, workers, employees, volunteers and the entire church body.

This policy and its provisions shall apply to all persons including all paid and unpaid leaders, whether lay or clergy who have any direct or indirect contact with children or youth who participate in any activity or event sponsored by Alliance United Methodist Church.

STATEMENT OF FAITH

As a Christian community of faith, we pledge to conduct the ministry of the gospel in ways that provide an environment for spiritual growth and safety of all children and youth in our care, as well as those who work with children and youth in this ministry.

- We will follow reasonable safety measures in the selection and recruitment of paid staff as well as volunteer workers with children and youth.
- We will implement prudent operational procedures in our programs and events.
- We will conform our facilities to meet reasonable safety standards to reduce risk of harm or injury.
- We will train and educate our staff and volunteer workers in the use of these policies and procedures.
- We will provide adequate supervision and support for workers as they are in ministry on our behalf.
- We will educate parents, guardians and others in our congregation as to our policies and procedures.
- We will have in place a clearly defined procedure for reporting instances of injury, harm or abuse that conforms to requirements of state law.
- We will respond with compassion and integrity to needs as they present themselves following incidents of harm, injury, or abuse among children, staff and volunteers.
- We will regularly review our policies and procedures to assure that they conform to current legal, health and safety standards.
- We will be prepared to respond to media inquiries as set out in these policies.

In all of our ministries with children, youth and vulnerable adults, this congregation is committed to demonstrating the love of Jesus Christ so that each person is “surrounded by steadfast love, established in the faith and confirmed and strengthened in the way that leads to life eternal.” (*Baptismal Covenant II, United Methodist Hymnal, p.44*)

DEFINITIONS OF TERMS USED

VERBAL ABUSE:	Any verbal act that humiliates, degrades or threatens any child, youth or vulnerable adult.
PHYSICAL ABUSE:	Any act of omission or an act that endangers a person's physical or mental health. In the case of child or youth physical abuse, this definition includes any intentional physical injury caused by the individual's caretaker. Physical abuse may result from punishment that is overly punitive or inappropriate to the individual's age or condition. In addition, physical abuse may result from purposeful acts that pose serious danger to physical health of a child or youth.
SEXUAL ABUSE:	Sexual abuse of minors includes touching them in an inappropriate way such as fondling, inappropriate touching of the minor's body, and inappropriate kissing. Non-touch abuse includes making remarks of a sexual nature, showing the child explicit pornographic materials, or making the minor watch others engaged in sexual activity.
CHILD OR YOUTH SEXUAL ABUSE:	Child or youth sexual abuse is the sexual exploitation or use of same for satisfaction of sexual drives. This includes, but is not limited to: 1) incest, 2) rape, 3) prostitution, 4) romantic involvement with any participant, 5) any sexual intercourse, or sexual conduct with, or fondling of an individual enrolled as a child or youth in Alliance UMC sponsored activities, 6) sexualized behavior that communicates sexual interest and/or content. Examples are not limited to: displaying sexually suggestive visual materials, making sexual comments or innuendo about one's own or another person's body, touching another person's body, hair or clothing, touching or rubbing oneself in the presence of another person, kissing, and sexual intercourse.
PHYSICAL & EMOTIONAL BOUNDARIES:	Physical boundaries are most important in dealing with children and youth. Persons working with children and youth have to understand and respect those boundaries. Obviously these boundaries change as children grown older. A young child sitting in the lap of a caregiver is most appropriate, whereas an older child or youth sitting in a leader's lap would not be acceptable. Hugs and kisses from a toddler to a leader are entirely different than the same from a youth. Emotional boundaries are also important. As a child grows older it is important for the adult leaders to maintain appropriate boundaries in relationships. It is important for those working with children and youth to not step outside of those lines and allow the younger person to become too attached to them. It is important for the older person to be careful where conversations might lead to steer clear of inappropriate talk. When an adult leader recognizes that there might be an issue with these boundaries, great space should be allowed to come between them and the child or youth in question. If that does not solve the problem then the adult leader and the situation needs to be brought to the children's director to address the issue.
APPOINTED STAFF:	Appointed Staff is anyone who is a member of the Central Texas Annual Conference and appointed to Alliance United Methodist Church by the bishop.
PAID STAFF:	Paid Staff is any person directly employed by Alliance United Methodist Church.
PAID CONTRACT STAFF:	Contract Staff is anyone who provides service at Alliance United Methodist Church that is not directly employed by the church.

ADULT VOLUNTEER	An Adult Volunteer is any person 18 years of age or older who assist in conducting children's or youth activities under the supervision of a person in charge of children's or youth sponsored activities.
YOUTH VOLUNTEER	Youth ages 12 to 18 are welcome to serve and assist leaders under direct adult supervision with a coordinator's permission.
PRIMARY VOLUNTEER	Any member of Alliance United Methodist Church for 6 months or more in a volunteer position.
SECONDARY VOLUNTEER	Any member of Alliance United Methodist Church for less than 6 months in a volunteer position.
CHILDREN:	All persons from birth through 12 years of age.
YOUTH:	Students from 12 years of age through 17 years of age. A person becomes an adult for purposes of this policy when the person turns age 18 regardless of the grade level at the time they turn 18.
ADULT:	Individuals that are age 18 years of age or older.
VULNERABLE ADULT:	An adult who has one or more mental, physical or emotional impairments that renders the person incapable of self-care and/or independent living without help.
CRIMINAL & SEXUAL HISTORY:	Criminal history refers to an individual's criminal record, including arrests, charges, convictions, and deferred adjudication, incidents of validated child abuse, violent offenses, including murder, rape, assault, record of any sex offender history by any competent jurisdiction and record of Driving Under the Influence (where the person in question would be serving as a driver).

STATEMENT OF POLICY

It is the official policy of Alliance United Methodist Church that the church grounds and all church sponsored events and activities are a safe haven for all those participating. Alliance UMC will provide a safe sanctuary by carefully screening and training volunteers and employees, strictly enforcing guidelines for supervision of Alliance UMC events, and responding to all instances or possible instances of violation of the safe sanctuary policies and procedures. The Safe Sanctuary policies and procedures will be reviewed and updated annually by the committee and the approval of the Church Council.

The determination of whether a particular crime is serious enough to result in Alliance United Methodist Church not approving the recommendation to the event planner shall be made by the SPRC Chair and the Senior Pastor.

Prior to beginning work as paid staff, contract staff or a volunteer working with children or youth, each person must complete the Safe Sanctuary orientation. The orientation should include information regarding the church’s policies and procedures for:

All paid and contract staff working with children are required to take a CPR/First Aid Class.

SUPERVISION

All activities involving children and youth shall be supervised.

- **Two Person Rule:** Whenever reasonable, minimum supervisory standards will include the “two-adult rule” during any church-sponsored program, event or ministry involving children or youth. This indicates that no matter the size of the group, there will be two supervising adults present. When this is not possible, an adult roamer will visit the room periodically. Persons under the age of 18 will be partnered with another adult and not supervised only by a roamer.
- **Six Month Rule:** We encourage all adults to work with the children and/or youth as a secondary volunteer until they have been a member of Alliance United Methodist Church for a period of six months.

We encourage all adults that are not five years older to be a secondary volunteer.

First Aid Kits, Permission Slips, Medical Release, and Private Vehicle Information Forms should be taken on all activities outside the church. All drivers must have a current Drivers License and valid Motor Vehicle Insurance approved by Alliance United Methodist Church.

Adult to youth/child ratio for regular trips away from the church will be 1:6 (mini-van). Any vehicle holding more than seven youth will have two adults. Trips over 200 miles require one extra adult more than the number of vehicles taken.

On any trip there must be at least one seat belt for every person in the vehicle. Seat belts must be worn at all times.

Anybody working with children and or youth should not drive individual children or youth home without permission of the parents.

ALLIANCE UNITED METHODIST CHURCH **CHILD/YOUTH DISCIPLINE POLICY**

We believe that discipline is based on the dignity and worth of each person as a child of God. Discipline teaches people to redirect themselves and bring their actions under control. Discipline reinforces positive alternative behavior, provides choices, sets realistic limits and provides reasonable and natural consequences. We believe discipline should provide guidance with love, trust, understanding, acceptance and care; therefore helping people become aware that they are created by God and their behavior should be pleasing to God. Discipline must be: Individualized and consistent for any child or youth, 18 years or younger; appropriate to his or her level of understanding; and directed toward teaching acceptable behavior and self-control.

The following guidelines will be followed regarding discipline:

When inappropriate or unacceptable behavior is exhibited, steps will be taken to stop the behavior and to keep all participants safe:

Step 1: First a child or youth will receive two verbal warnings if inappropriate behavior occurs. However, if the misbehavior involves physical harm, the child or youth will be removed from the group immediately.

Step 2: Secondly, a child or youth will be removed from the group, but will remain in the room with adult supervision if disruptive behavior continues after two verbal warnings.

Step 3: Thirdly, the child or youth will be removed from the class and will sit outside the classroom with adult supervision if removal from the group was not effective. If behavior warrants it the parents will be called to come and pick up their child/youth up.

If necessary for the safety of others, Steps 1 and 2 may be skipped.

In order to make the programs safe and enjoyable for all attending, the following behavior problems may result in disciplinary action and or dismissal from a program.

- Attempting to threaten or causing physical injury to another person
- Causing or attempting to cause damage to the property of others
- Stealing or attempting to steal from others

- Possessing any knife, firearm, or other dangerous object
- Unlawfully possessing or using alcohol, drugs (illegal or over the counter medicine), tobacco, or any product containing tobacco or nicotine.

Parents will be notified if their child or youth has physically hurt someone, or has been removed from the group or classroom due to disruptive behavior. If disciplinary action is taken on two consecutive sessions, parents will be asked to join the class or group for two to three sessions in order to observe and provide aid to the leaders on specific ways to help their child or youth have a better learning experience.
